Call for short presentations!

Zero Carbon Conference 2024 - Zero Carbon Communities

9-10 April 2024

High school, vocational school and university students!

Do you have good zero carbon examples from your community? Have you organised events to promote zero carbon actions? Do you have joint initiatives in your school, village, etc? Is your city active in promoting zero carbon actions? Come and share them with us! Propose a short presentation for the conference by **27 March** at https://bit.ly/zcc_2024_call_for_presentations

More information about the conference is available at https://bit.ly/zcc_2024

The conference will be held in Zoom and live streamed to YouTube.
